Clarification for number of students admitted against reserved categories

This is to clarify that the college strictly adhere to the Reservation Policy of Government of Maharashtra during admission process. But because of less availability of students in SC, ST category than earmarked seats so the seat remains vacant, hence during last round of admission these vacant seats are transferred to other categories such as OBC in which students are mostly available or at the end to the OPEN category. Hence number of students admitted in OBC category are more than earmarked seats.
